

REMARKS

Applicants telephoned the Examiner requesting clarification as to the reason for the Notice. The Examiner indicated that all that was required in response to the Notice was an amendment to the claims which provides the SEQ ID NOs for the sequences recited in the claims.

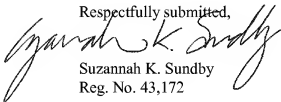

By this Response, Applicants have amended the claims as required by the Notice. Applicants respectfully submit that this Response is fully responsive to the Notice and that a CRF and paper copy of the Sequence Listing is not necessary.

CONCLUSION

It is respectfully believed this application is now in condition for allowance. Early notice to this effect is earnestly solicited.

It is not believed that extensions of time or other are required beyond those that may otherwise be provided for herewith. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. §1.136(a), and any fees required therefor (including fees for net addition of claims) are hereby authorized to be charged to **Deposit Account No. 02-4300**, Attorney Docket No. **034205.003**.

Respectfully submitted,
